THE PIECE

A solid cube of stone, five faces finished, the sixth left raw against the floor. The Alaia is more object than table, it reads as a sculptural piece in a room and functions as a surface. Shown in Calacatta Viola; also available in Breccia Versilia and Travertine Classic.

CARE

Every piece is made to order and finished by hand. Veining and ground colour vary block to block, so the piece delivered will differ from the photograph shown.

Wipe with a soft cloth and warm water. Blot spills rather than wiping them across the surface.

Avoid acidic liquids on marble and travertine, including citrus, wine and vinegar. These etch the surface rather than staining it, and etching cannot be cleaned off.
