THE PIECE

Where the Orla carries a paired leg, the Esme rests on an angled monolith base that tapers to the floor. The geometry changes the weight of the piece entirely. Shown in Calacatta Monet; also available in Calacatta Arni, Nero Marquina and Travertine Classic.

CARE

Every piece is made to order and finished by hand. Veining and ground colour vary block to block, so the piece delivered will differ from the photograph shown.

Wipe with a soft cloth and warm water. Blot spills rather than wiping them across the surface.

Avoid acidic liquids on marble and travertine, including citrus, wine and vinegar. These etch the surface rather than staining it, and etching cannot be cleaned off.
