THE PIECE

A contemporary interpretation of Roman architecture. The legs carry a linear fluting that catches the light along their length, a detail that elevates without competing with the stone. Shown in Calacatta Viola; also available in Calacatta Arni and Arabescato Vagli.

CARE

Every piece is made to order and finished by hand. Veining and ground colour vary block to block, so the piece delivered will differ from the photograph shown.

Wipe with a soft cloth and warm water. Blot spills rather than wiping them across the surface.

Avoid acidic liquids on marble and travertine, including citrus, wine and vinegar. These etch the surface rather than staining it, and etching cannot be cleaned off.
