THE PIECE

Stone and timber brought together in a single piece, with hand-cast bronze knobs as the connecting element. The Kaia is designed to hold the bedside without calling attention to itself. Made in Travertine Osso and Stained Oak with Bronze Patina hardware.

CARE

Every piece is made to order and finished by hand. Veining and ground colour vary block to block, so the piece delivered will differ from the photograph shown.

Wipe with a soft cloth and warm water. Blot spills rather than wiping them across the surface.

Avoid acidic liquids on marble and travertine, including citrus, wine and vinegar. These etch the surface rather than staining it, and etching cannot be cleaned off.
