THE PIECE

A single cylinder of stone, cut tall and left otherwise unadorned. Where the Nova holds its line with a mitred edge, the Oria turns continuously, so the veining reads as one unbroken sweep around the form. The same form is available at a lower height as the Oria side table. Shown in Nero Marquina; also available in Cipollino Verde and Travertine Classic.

CARE

Every piece is made to order and finished by hand. Veining and ground colour vary block to block, so the piece delivered will differ from the photograph shown.

Wipe with a soft cloth and warm water. Blot spills rather than wiping them across the surface.

Avoid acidic liquids on marble and travertine, including citrus, wine and vinegar. These etch the surface rather than staining it, and etching cannot be cleaned off.
