THE PIECE

Drawing on mid-century design, the Otis pairs a sleek T-framed base with a shark-nose edge profile, lending both function and form to a softly curved top. The same design is carried through at a smaller scale in the Otis side table, so the two can be placed together as a pair. Shown in Calacatta Viola; also available in Cipollino Verde, Nero Marquina and Arabescato Vagli.

CARE

Every piece is made to order and finished by hand. Veining and ground colour vary block to block, so the piece delivered will differ from the photograph shown.

Wipe with a soft cloth and warm water. Blot spills rather than wiping them across the surface.

Avoid acidic liquids on marble and travertine, including citrus, wine and vinegar. These etch the surface rather than staining it, and etching cannot be cleaned off.
