THE PIECE

The T-framed base and shark-nose edge are cut from the same block, so the top reads as a single continuous surface. The oval form gives the Otis a longer line than its original, suited to a wider seating arrangement. Shown in Calacatta Monet; also available in Cipollino Verde and Calacatta Viola.

CARE

Every piece is made to order and finished by hand. Veining and ground colour vary block to block, so the piece delivered will differ from the photograph shown.

Wipe with a soft cloth and warm water. Blot spills rather than wiping them across the surface.

Avoid acidic liquids on marble and travertine, including citrus, wine and vinegar. These etch the surface rather than staining it, and etching cannot be cleaned off.
